

Features:

1. Multipurpose LED light bar
2. High intensity, Super lumens maintenance
3. Constant on colour
4. No UV, Superior ESD protection
5. View angle 120 degree
6. Long life, up to 40,000 hours
7. Voltage from 5-50VDC, constant current!
8. Switch ON/OFF and half DIM and full DIM light
9. Aluminium Housing

Specifications

Product:	LED BAR LIGHT
Item Code:	PRI-DIM-5W
Light Colour:	Cool White, Warm White
LED quantity:	5 pcs
Housing Material:	Aluminium Housing
Work voltage:	5-50 VDC
Power:	5W
Power consumption:	6.8W
Colour temperature:	6000K (Cool White) 3000k – 3500K (Warm White)
View angle:	120°
Lifetime of light:	40000 (hours)

Dimension

Installation Instruction

1. Work Voltage: 5-50VDC
2. Wiring Way: White line connects to POSITIVE; Black line connects to NEGATIVE.
3. Working modes: PRI-DIM-5W has a three mode switch, which can be set at "OFF", "ON", "Half ON" and "Full ON".
