

Features

1. Solid State Reliability
2. High intensity, Super lumens maintenance
3. Multi voltage 10~17VDC
4. 20% brighter than competitor's light bar
5. Can be cut every 3 LEDs
6. Constant on colour
7. No UV, Superior ESD protection
8. View angle 120 degree
9. Long life, up to 30,000 hours
10. Easy mounted (3M sticker on back)

Specifications

Product:	LED BAR LIGHT
Item Code:	PRI-CUT-HP
Light Colour:	Cool White, Warm White
Input voltage:	10~17 VDC
Power:	3.48 W
Current:	290mA
Luminous flux:	210 lm (Cool White) 150 lm (Warm White)
Colour temperature:	6000k ~ 7000k (Cool White) 3000k ~ 3500k (Warm White)
View angle:	120°
LED quantity:	30
Lifetime of light:	up to 30,000 (hours)

Dimension
