

Features:

1. Patented fixture and excellent heat dissipation design.
2. Universal 24VDC standard controller operation for RGB and RGBW.
3. Great output of 4500lm and 1.2m cable with 240VAC AU plug for CW light
4. Wide radiation angle and huge lighting area.
5. 24pcs of High power LED.
6. IP65 for outdoor using.
7. No UV & IR, No Blinking and No Mercury & Lead free

Application

Parking Areas
Public Places
Architectural
School Playgrounds

Landscape
Industrial Places
Advertising Boards

Specifications

Product Code: PRI-RIO-FLOOD-50W
Power: 50W
Voltage: 240VAC (CW)
24VDC (CW, RGB, RGBW)
LED Qty: 24 pcs
Luminous Efficiency: 50~85 lm/W
90 lm/W (CW)
Power Factor: ≥ 0.85

Colour: Cool White (6000k)
RGB & RGBW
View Angle: 40° (RGB & RGBW)
60° (CW)
Water Proof Rate: IP65
Working Temp.: -20~+40°C
Housing Colour: White
Dimensions: 285X106X85mm

Installation & Photometric
